

## Statement about Affordability

We will help you maximize your insurance benefits and make any remaining balance easily affordable. Our goal is to not let expense prevent you from benefiting from the quality of care you desire and need. To facilitate this goal, we have developed the following financial options:

- Care Credit
- Chase Health Advance

If you have any questions regarding your insurance benefits and flexible payment plans, please don't hesitate to call and speak with our office manager, Trisha Elliott at 703.327.7705.
